*"Called to love as God loves"*

May 2023

Dear Parents/Carers,

We have come to the end of another busy half term. Congratulations to all the children in Year Two and Year Six who have completed their SATs test this term. They have worked incredibly hard and I am confident that their results will reflect this. On return to school in June, the children in Year One will complete their Phonic Screening Check and the children in Year Four will take the National Multiplication Tables Check. We wish the children every success.

We gathered together as a worshipping community yesterday to celebrate the Solemnity of Ascension Thursday. The children as always were extremely reverent. The children read with such clarity and the singing was beautiful.

Thank you to everyone who came to school yesterday to make Grandparents' Day such a success. The children thoroughly enjoying talking to their families about what they had been learning.

After half term we will be resetting our behaviour expectations which includes a uniform check. Please ensure your child returns to school with the correct uniform including black school shoes rather than black trainers/branded sports shoes. Thank you for supporting school in maintaining our high expectations of behaviour.

Thank you as always for your continued support.

God Bless,

Ms M. Garvey

*Stay With Us, Lord, On Our Journey*
